

Top Notch Turns 50: Top Notch People. Top Notch Work.

In January 2026, Top Notch of Indiana proudly kicked off a year-long celebration marking the 50th Anniversary as a union construction labor-management partnership. This golden milestone will honor the half-century foundational success rooted in its unique model: the effective and enduring partnership between Indiana's skilled construction unions and their signatory contractor partners. This collaborative partnership has sustained Indiana's most critical projects providing an innovative and prosperous construction industry across the state.

The campaign will feature initiatives—from member spotlights and community-focused service projects to the rollout of an official 50th-anniversary identity—all designed to recognize the unwavering commitment of the unions and contractors of the Indiana Union Construction Industry who continue to build Indiana's future.

50th Anniversary Campaign Participation Opportunity

Our industry is powered by the personal commitment of our members. We invite contractors, construction unions and individuals to share the stories, photos, and milestones that define your industry journey since 1976. Submit your legacy—from your first day on the job to the project you are most proud of—to help us celebrate the past and illustrate how are people make the difference!

Please note: Photo submissions may be used in Top Notch social media or during Top Notch event presentations. By submitting photos and sharing information, you agree your images and stories may be used as part of our 50th anniversary celebration.

Please Select One:

"MY FIRST DAY" OR "MY FAVORITE PROJECT" CAMPAIGN: Inspire others by sharing early days in your career or your favorite project. Union members and contractor employees are invited to submit a photo and a sentence about the start of your career or the project your most proud of!

"LEGACY PARTNERS" PHOTO CAMPAIGN: Unions and contractors are invited to submit photos showcasing the "Then" and "Now" of your organization during the past 50 years.

"PARTNERSHIP PHOTOS" PHOTO CAMPAIGN: Do you have a great photo depicting labor management partnership in the construction industry? Share it with us!

Submit Your Photos!

Please complete form and submit it with your photo. One form with each photo, please. When emailing your form and photo, don't forget to share a few sentences about your photo!
